

September 21-23, 2017

Split, Croatia

Call for Papers

The 25th International Conference on Software, Telecommunications and Computer Networks (*SoftCOM 2017*) is co-organized by the University of Split, FESB and Croatian Communications and Information Society (CCIS). The conference will be held September 21- 23, 2017 in Radisson Blu Resort hotel, Split.

Authors are invited to submit their high-quality papers representing original results in all areas of communications software, services and applications, telecommunications and computer networks. Accepted and presented papers will be published in the conference proceedings, and submitted to IEEE Xplore as well as other Abstracting and Indexing (A&I) databases. Authors of the selected best papers will be invited to submit a revised and extended version of their manuscripts for possible publication in the Journal of Communications Software and Systems (JCOMSS).

Steering Committee

Dinko Begusic, Nikola Rozic (co-Chairs)
University of Split, Croatia

Franco Chiaraluce,
University of Ancona, Italy

Roberto Garelo
Politecnico di Torino, Italy

Gorazd Kandus
Jozef Stefan Institute, Slovenia

Pascal Lorenz
Univ. de Haute Alsace, France

Ignac Lovrek
University of Zagreb, Croatia

Gottfried Luderer
Arizona State University, USA

Dean Marusic,
Ericsson – Nikola Tesla, Croatia

Ngoc Tu Nguyen
Missouri University of Science and
Technology, USA

Algirdas Pakstas
Vilnius University, Lithuania

Luigi Patrono,
University of Lecce, Italy

Nikola Pavesic
University of Ljubljana, Slovenia

Dragan Poljak
University of Split, Croatia

Josko Radic
University of Split, Croatia

Joel Rodrigues
Univ. of Beira Interior, Portugal

Vesna Roje
University of Split, Croatia

Petar Solic
University of Split, Croatia

Topics of interest include, but not limited to:

- * *Communications Software*
- * *Interfaces and Communication Protocols*
- * *Telecommunications Services and QoS*
- * *Network Operations and Management*
- * *Internet and IP Based Environments*
- * *Software Defined Networks*
- * *Mobile and Wireless Communications*
- * *Cloud Communications and Computing*
- * *Optical and Photonic Communications*
- * *Green Networking Technologies*
- * *Multimedia and Virtual Reality Systems*
- * *Information Infrastructure and Security*
- * *Communication Theory*
- * *Multiple Access Techniques*
- * *Signal Processing and Coding*
- * *Computer Methods in Biomedicine*
- * *Consumer Communications Technologies*
- * *Human-Computer Interaction*
- * *QoS and Resource Management*
- * *Enterprise Networking*
- * *Access and Home Networks*
- * *Next Generation Networks and Services*
- * *Electromagnetic Compatibility in Communications*
- * *Research/Education Methodology in ICT*

IMPORTANT DATES

Complete manuscript due
May 20, 2017

Notification of acceptance
July 1, 2017

Camera-ready manuscript
July 25, 2017

SYMPOSIA, SPECIAL SESSIONS & WORKSHOPS

- Green Networking and Computing**
- Environmental Electromagnetic Compatibility (EEMC)**
- Smart Environments & Internet of Things**
- IoT in Elderly-Friendly Cities and Healthy Ageing Services**
- QoS in Wired and Wireless network**
- Ad-Hoc and Sensor Networks**
- Security and Digital Forensics**
- Cloud Computing**

BUSINESS FORUM

Business Forum gathers experts, managers, executives, government and institutions representatives to share opinions and experiences on business and technological aspects of ICT.

Business Forum will also feature workshops:

- 6th Workshop on Software Engineering in Practice
- 23rd Workshop on ICT

JOURNAL OF
COMMUNICATIONS
SOFTWARE AND SYSTEMS

www.ccis.hr/jcomss

More information about the Conference including authors kit is available on the website: <http://softcom2017.fesb.hr>

Contact: information, proposals for tutorials, round tables, exhibition and other can be sent to softcom@fesb.hr
